LIFT & SLIDE HANDLE OPTIONS

Choose from several handle designs and finishes for your Lift & Slide Door System. Interested in selecting a handle not pictured below? Our engineering & design team are here to assist you with further customizable options!

These handles require an upcharge if you would like to add a keyhole.

Handle Finishes (All Models):
Nero Cal, Satin Chrome

Priamo

Enea

Laser

Hoppe Folding Handle

This handle is recessed into the panel and is primarily for use in applications where the door is pocketed; as no additional space for handle depth is available. This handle comes in Alpine Forest (Brushed Nickel), Rustic Umber (Dark Bronze), and Matte Black.

****not offered for the LTS.30, LTS.31, LS.30, LS.31, S.85 or the TS.87.**

Temporary Handle

Standard for every system that features two or more operable panels. This allows operation of interior panels without a permanent handle. This handle comes in a mill finish, but can also be powder coated to match the color of the system.

Recessed Handle

This handle is recessed into the panel and is primarily for use in applications where the door is pocketed; as no additional space for handle depth is available. This handle comes in Silver, White, Brown, and Black.

Q-Arte

This handle is a sleek combination of comfort and design. Available in Satin Chrome, Oil Rubbed Bronze, and Satin Black.

These handles require an upcharge if you would like to add a keyhole.

MULTI-SLIDE DOOR HANDLE OPTIONS

Panda offers several handle designs and finishes for your Multi-Slide Door System. Interested in selecting a handle not pictured below? Our engineering & design team are here to assist you with further customizable options!

Cremone

This handle comes standard in black (RAL 9009), but can also be powder coated to match the system. Please note, this handle is available only for the S.81 and TS.83 systems.

Tower

This handle is recessed into the panel and is intended for applications where the door is pocketed with no additional space for handle depth. Please note, this handle is available only for the S.81 and TS.83 systems.

Recessed

This handle is recessed into the panel and is intended for applications where the door is pocketed with no additional space for handle depth. Please note, this handle is available only for the S.81 and TS.83 systems.

Flush

This handle is recessed into the panel and is intended for applications where the door is pocketed with no additional space for handle depth. This handle comes standard in black, or silver. Please note, this handle is available for the S.90 and the S.39 and S.90 screens.

Tev 500

This handle is recessed into the panel and is intended for applications where the door is pocketed with no additional space for handle depth. This handle is available in Satin Chrome, White, Oil Rubbed Bronze and Black. **These handles require an upcharge if you would like to add a keyhole.**

****This handle is offered for Panda Select series Multi-Slide Doors only.**

FOLDING HANDLE OPTIONS

Choose from several handle designs and finishes for your Folding Door System. Interested in selecting a handle not pictured below? Our engineering & design team is here to assist you with further customizable options!

Panda 100

Our standard throw handle. The finish is powder coated to match the system.
